Great American Cleanup

March - May 2019

The Great American Cleanup is a nationwide cleanup initiative led by Keep America Beautiful. This cleanup event has taken place across the country for the past 33 years. Last year, thousands of volunteers throughout Polk County joined in the cleanup effort. This cleanup event is held throughout the months of March, April and May.

The first 2,000 volunteers, who pre-register will receive a free T-Shirt and ticket to Bok Tower Gardens (while supplies are available). Cleanup volunteers are provided with garbage bags, gloves and safety vests. Additional beautification supplies are available by request.

All dumpster and beautification requests must be submitted in writing to the KPCB office no later than **3 weeks BEFORE** your requested cleanup date to be considered for the GAC cleanup. This cleanup is a county wide effort. Residents who have personal garbage and large items that need to be disposed of should contact their local waste hauler to make arrangements for pick up.

This is a great opportunity for students to earn community service hours! Volunteers are encouraged to choose a location in their local community to help clean and beautify. Lakes, roadways, rivers and parks are great locations for volunteers to participate in the Great American Cleanup. Volunteers may also join in one of our community coordinated cleanups or recycling events.

CLEAN IT UP TO GREEN IT UP (Curbside Cleanup) & TIRE RECYCLING EVENTS ARE CURRENTLY BEING SCHEDULED AND ARE SUBJECT TO CHANGE!
