# Great American Cleanup

The **GREAT AMERICAN CLEANUP** is a nationwide cleanup initiative led by Keep America Beautiful. This cleanup event has taken place across the country for the past **40** years throughout the months of **March, April and May** annually.

The first 2,000 volunteers, who pre-register will receive a FREE GUY HARVEY ORIGINAL T-Shirt and ticket to Bok Tower Gardens (while supplies are available).

Cleanup volunteers are provided with garbage bags (buckets if available), gloves and safety vests. Additional cleanup and beautification supplies are available by request. All beautification requests must be submitted in writing to the KPCB office no later than 3 weeks BEFORE your requested cleanup date to be considered.

**Dumpster Requests** are available to communities in need for large community based cleanup efforts and illegal dumpsite cleanup. For approval, please submit your request in writing 30 days before proposed cleanup. (Dumpsters are limited and each request will be considered based on community need and projected participation)

This is a great opportunity for students to earn community service hours! Volunteers are encouraged to choose a location in their local community to help clean and beautify. Lakes, roadways, rivers and parks are great locations for volunteers to participate in the Great American Cleanup. Volunteers may also join in one of our community coordinated cleanups or recycling events. Contact our office for more information.

**Thank you to our Waste Hauling Sponsors: Polk County's Roads & Drainage - Roadway Maintenance Units, FCC, GFL Environmental, City of Bartow Solid Waste, City of Lakeland Solid Waste, Republic Services, Scrap-It & Waste Management!**

This cleanup is a county wide effort. Residents who have personal garbage and large items that need to be disposed of should contact Polk County's Solid Waste Division to make arrangements for pick up at
